Parent/Guardian Signature

Members may declare up to an older age division, which may allow them to play in an event not otherwise open to them. If a member declares up, he/she must play in the older age division for the entire year in all tournament series (excluding the Texas Boys & Girls PGA Championship) and must play by the applicable rules and regulations of that tournament. In order to declare up, members must complete the Age Division Declaration Form which is available on the NTPGA website under Forms and Documents under the Membership heading. A player may declare a different age division at any time prior to the start of an event; however, all requests to declare up must be approved by the NTPGA based on a player's scoring average and overall tournament experience. Please read the Junior Tour Rules and Regulations for full details on the age division declaration policy.
