NTPGA JUNIOR TOUR OVERVIEW

The Northern Texas PGA (NTPGA) Junior Tour has a membership of over 4,000 junior golfers ages 7–19 and conducts over 400 tournaments annually. Tournaments conducted vary in their degree of competitiveness as there are programs for junior golfers of all skill levels. The NTPGA Junior Tour recommends that all junior golfers and their parents/guardians become familiar with the Rules & Regulations to gain a better understanding of how the NTPGA Junior Tour operates.

ELIGIBILITY

The NTPGA Junior Tour is open to junior golfers ages 7–19 who are not currently attending college. Players who have graduated from high school may only play in NTPGA Junior Tour sanctioned tournaments until September 1st of the season directly following high school graduation. A player’s age division is based on their age as of the day of the tournament. The membership fee is \$80 and is valid for the calendar year.

NOTE: *Players who are 19 years old will compete in the 15-18 age division in all NTPGA Junior Tour sanctioned tournaments.*

CHOOSING AN APPROPRIATE LEVEL OF PLAY

NTPGA Junior Tour members have the right to participate in any Level of Play, in any Area for which their age division allows. However, the NTPGA Junior Tour reserves the right to restrict members to certain Levels of Play based on their performance and ability.

It is suggested that members use the following guidelines when selecting a Level of Play:

Level of Play Number of Holes	Eligible Ages	Average Score
Team Golf 9-Holes	7-14	50 or Higher
Prep Level 9-Holes	7-10	50 or Lower
Prep Level 9-Holes	11-19	55 or Higher
Medalist Level 18-Holes	11-19	110 or Lower
All American Tour 36 & 54 Holes	19 & under	90 or Lower

NOTE: *The NTPGA Junior Tour reserves the right to remove a player from an NTPGA Junior Tour sanctioned event for non-competitiveness at any time. In this case, a full refund will be granted to the player's account credit.*

PREPARING FOR NTPGA JUNIOR TOUR EVENTS

HEALTH & WELLNESS

Adequate preparation for a golf tournament is crucial. The NTPGA Junior Tour recommends that all players are equipped with light snacks (i.e. granola bars, crackers, fruit, etc.) as well as a refillable water bottle for each golf tournament. It is suggested that junior golfers wear sunscreen and a hat to avoid overexposure from the sun. Additionally, it is recommended that junior golfers drink plenty of fluids the evening prior to each tournament to help prevent heat exhaustion. While the NTPGA Junior Tour is not responsible for providing water on the golf course, on-site staff will work closely with each host facility to ensure that their water coolers remain full throughout the day. Please note that not all host facilities have water coolers available throughout the golf course.

DRESS CODE

Proper attire is required at all times at NTPGA Junior Tour events. Failure to comply may result in disqualification (See Junior Golfer/Caddie Code of Conduct on Page 10). Each host facility may have additional rules and dress code requirements that must be adhered to by all NTPGA Junior Tour members and spectators. Proper attire includes collared shirts or mock turtlenecks (host golf course permitting), slacks, shorts, golf or tennis shoes, caps and visors. Should a golf course have a stricter dress code, its policy will take precedence. The NTPGA Junior Tour dress code prohibits denim, short shorts, cut-offs, swimsuits, sandals, clothing containing offensive slogans, language or pictures, clothing describing or advertising alcohol, tobacco, or other drug references. The NTPGA Junior Tour strongly suggests participants present themselves in a positive manner while representing the NTPGA Junior Tour by wearing hats with the brim forward and tucking in all shirts.

CODE OF CONDUCT OVERVIEW

The NTPGA Junior Tour takes great pride in the quality and conduct of its players, host facilities and sponsors. The NTPGA Junior Tour requires all NTPGA Junior Tour members and their caddies and spectators to adhere to a set of guidelines known as the Code of Conduct. JUNIOR GOLFER / CADDIE CODE OF CONDUCT PENALTIES

The NTPGA Junior Tour may assess any or all of the following penalties based on the severity of the junior golfer's or caddie's Code of Conduct violation:

- ❖ Issue a verbal or written letter of warning to the player or caddie.
- ❖ Enforce a two-stroke penalty.
- ❖ Disqualify the player from the tournament where the violation occurs.

- ❖ Suspend the player and/or caddie for a portion of the tournament series or any number of tournament series remaining in the year.
- ❖ Suspend the player's membership indefinitely.
- ❖ Suspend the caddie's caddie privileges indefinitely.

SPECTATOR CODE OF CONDUCT

Before, during, or after the conduct of an NTPGA Junior Tour sanctioned event, no parent, guardian, or spectator shall: 1) Verbally or physically abuse, threaten or disrespect a fellow spectator, parent/guardian, youth participant, volunteer, employee, guest, caddie or other persons conducting, participating in, hosting or attending an NTPGA Junior Tour sanctioned event; (2) Use obscene language; (3) Cause physical damage to, or loss of, property or equipment of any of the parties set forth above or of the host facility; or (4) Use or be under the influence of alcohol, or an unauthorized controlled substance during a NTPGA Junior Tour sanctioned event.

Please refer to the pages listed below for each Level of Play's entry procedure information:

Team Golf: Page 21

Prep Level / Medalist Level: Page 24

All American Tour: Page 32

NOTE 1: *Walk-up players are not accepted at NTPGA Junior Tour sanctioned tournaments.*

NOTE 2: *NTPGA Junior Tour Members will be placed in an age group according to their age as of the date of the tournament (unless they have declared "up" to a higher age division).*

NOTE 5: *Confirmation emails will be sent out to each member after the registration process confirming the tournaments they were accepted into or otherwise.*

WAITING LIST POLICY

Once a tournament is full, all players that then register will be placed on the waiting list. Players on the waiting list will be placed into the event on a first come first served basis according to space availability in their age division. Players may be placed into a tournament from the waiting list up to three (3) days prior to the event. After which, no players from the waiting list will be processed into the event.

NOTE 1: *Players will be notified via email that he/she has been placed into the tournament. A player may cancel himself/herself from the waiting list at any time via his/her online account.*

NOTE 2: *There is no on-site waiting list/walk-up list at NTPGA Junior Tour tournaments.*

MEMBERSHIP CANCELLATION POLICY

All membership cancellations must be submitted through the NTPGA office by speaking to an NTPGA staff member. Membership cancellations are ineligible for refunds once the player competes in one (1) NTPGA Junior Tour event.

NOTE: *All membership cancellation refunds are subject to a \$10.00 processing fee.*

TRANSFER POLICY

All transfer requests must be submitted prior to the registration deadline of both the tournament a player is transferring out of and the tournament a player is transferring into. All transfers out of a tournament can only be transferred into a tournament of the same Level of Play and entry fee (i.e. Prep to Prep, Medalist to Medalist or All American Tour to All American Tour). Transfer requests that do not meet the above stated guidelines will be treated as a cancellation and adhere to the cancellation policy.

ON-SITE CHECK-IN POLICY

If a tournament is using a shotgun start, all participants must check-in 30 minutes prior to the scheduled start of the tournament. If a tournament is using a tee time start, all participants must be checked-in and at their designated starting hole at their assigned starting time.

NOTE: *Prompt attendance is required of all players and time of starting penalties shall be consistent with Rule 6-3.*

DECLARING UP POLICY

Members may declare up to an older age division, which may allow them to play in an event not otherwise open to them. If a member declares up, he/she must play in the older age division for the remainder of the year in all tournament series (excluding the Texas Boys & Girls PGA Championship) and must play by the applicable rules and regulations of that tournament. In order to declare up, members must complete the Age Division Declaration Form which is available on the NTPGA Junior Tour website. A player may declare up to a different age division at any time prior to the start of an event; however, all requests to declare up must be approved by the NTPGA Junior Tour and approval will be based on a player's scoring average and overall tournament experience.

NO SHOWS & NO CARDS POLICY

It is the responsibility of the participant to notify the NTPGA Junior Tour when cancelling out of a tournament. Any member unable to participate on the day of the tournament who has not previously cancelled will be considered a "No Show."

All participants must return their score card to the scoring area immediately following play. Any participant who fails to return their score card after the round will be considered a "No Card" and will be deemed to have taken nine (9) strokes on each hole. Participants withdrawing during play of an event **MUST** return their score card to the scoring area and notify an NTPGA Junior Tour staff member before leaving the facility; otherwise, they will be considered as a "No Card" participant.

DISTANCE MEASURING DEVICES POLICY

The NTPGA Junior Tour allows the use of distance measuring devices that measure distance in all sanctioned events. A player may obtain distance information by using a device that measures distance. If, during a stipulated round, a player uses a function of a distance-measuring device that is designed to gauge or measure other conditions that might affect his/her play (e.g., gradient, wind-speed, temperature, etc.), the player is in breach of Rule 14-3 (see penalty structure below). A multifunctional device such as a PDA or Smartphone may be used as a distance measuring device as long as the application measures distance only.

NOTE: *Applications that also assist the player in his play e.g. videoing swing for analysis or gauging green contours are not permitted.*

All devices used must be of a handheld variety (watches are permitted), carried by the player or his/her caddie. Use of GPS yardage systems installed on golf carts is not permitted at any time. Spectators must not relay any yardage information displayed by a GPS system in a golf cart. A player who breaches this policy will be deemed to have violated Rule 14-3 and will be subjected to the following penalties:

FIRST OFFENSE: Two (2) stroke penalty

SECOND OFFENSE: Disqualification.

Additionally, players may share their distance measuring device and information pertaining to yardage with fellow competitors at their discretion provided such action does not cause an undue delay.

Should there be a question on the legality of a certain distance measuring device, it is recommended that all players contact the NTPGA office and speak with a member of the NTPGA Junior Tour staff.

SHUTTLE SAFETY POLICY

Spectators are welcome to shuttle players to their starting hole, from their final hole and, in unique scenarios, where specifically instructed by the NTPGA Junior Tour staff. All participants must be seated inside the golf cart at all times during transport. At NTPGA Junior Tour sanctioned events, participants must NOT stand or sit on the back of a golf cart while being shuttled before, during or after a tournament. This includes shuttling to the player's starting hole and from the player's last hole of a tournament.

If a violation of this policy occurs, the player may be subjected to the following penalties:

FIRST OFFENSE: Warning

SECOND OFFENSE: Two (2) stroke penalty

THIRD OFFENSE: Disqualification

NOTE: *If a violation of this policy is made by a spectator who is 18 years of age or younger, the same penalty structure will apply. All penalties will be added to the player in which the violator is spectating.*

PACE OF PLAY TACTICS

There are several tactics that can help improve Pace of Play. The NTPGA Junior Tour will recommend and, in some cases, enforce the following tactics during tournaments at each respective Level of Play for groups who fail to keep up with the established Pace of Play. It is recommended that all players utilize the tactics listed below throughout the entire round at each respective Level of Play.

TEAM GOLF / PREP LEVEL

1. Play “ready golf”
 - ❖ When the area surrounding the player is clear, he/she may proceed to hit their shot regardless of whether or not it is his/her turn to hit.
 - ❖ Walk with a purpose!
2. Maximum Number of Practice Swings
 - ❖ All players will be limited to a total of two (2) practice swings per shot.
3. Continuous Putting
 - ❖ Once all players’ balls are on the putting green, the player who is farthest from the hole will continue putting until his/her ball is holed. This will continue until all players in the grouping have finished playing the hole.

MEDALIST LEVEL / ALL AMERICAN TOUR

1. Play “ready golf”
 - ❖ When the area surrounding the player is clear, he/she may proceed to hit their shot regardless of whether or not it is his/her turn to hit.
 - ❖ Walk with a purpose!
2. Maximum Number of Practice Swings
 - ❖ All players will be limited to a total of two (2) practice swings per shot.
3. Must, Must, May
 - ❖ **MUST** – The first player to finish playing a hole **MUST** immediately grab their bag and start making their way to the next tee.
 - ❖ **MUST** – The player **MUST** also be the first person to play from the next teeing ground.
 - ❖ **MAY** – This player **MAY** tee off prior to the rest of his/her group arriving to the tee and if the landing area is clear.

PACE OF PLAY POLICY

The established Pace of Play for all Team Golf, Prep and Medalist Level tournaments is 15 minutes per hole (4 hours and 30 minutes) plus one additional minute between the play of two holes for a total of 4 hours and 48 minutes per round unless otherwise noted.

The established Pace of Play for All American Tour tournaments is 14 minutes per hole (4 hours and 12 minutes) plus one additional minute between the play of two holes for a total of 4 hours and 30 minutes per round unless otherwise noted.

DEFINITION OF OUT OF POSITION FOR SHOTGUN STARTS

A group will be considered out of position if, at any time during the round, they (a) exceed the allotted time to play and (b) reach a par-3 hole that is open and free of play or fail to clear the tee of a par-4 or par-5 hole before that hole is open and free to play. Both (a) and (b) must apply for a group to be out of position.

NOTE: The NTPGA Junior Tour staff reserves the right to time a group when deemed necessary. Further, if a player is determined to be unreasonably slow he/she may be timed individually at the NTPGA Junior Tour staff’s discretion, regardless of whether his/her group is out of position.

DEFINITION OF OUT OF POSITION FOR TEE TIME STARTS

The first group to start will be considered out of position if, at any time during the round, they exceed the time allotted to play.

Any subsequent groups will be considered out of position if, at any time during the round, they (a) exceed the allotted time to play and (b) reach a par-3 hole that is open and free of play, reach a par-4 and have not played a stroke from the teeing ground before the hole is open and free to play, or reach a par-5 hole and all players in the group have not played a stroke from the teeing ground before the hole is open and free to play. Both (a) and (b) must apply for a group to be out of position.

TIMING

The NTPGA Junior Tour staff reserves the right to time a group when deemed necessary. Further, if a player is determined to be unreasonably slow he/she may be timed individually at the NTPGA Junior Tour staff's discretion, regardless of whether his/her group is out of position.

A player is permitted 40 seconds to play a stroke, and an additional 10 seconds (for a total of 50 seconds) will be allowed for: (a) the first player to play a stroke on a par-3 hole; (b) the first player to play a second stroke on a par-4 or par-5 hole; (c) the first player to play a third stroke on a par-5 hole; (d) the first player to play around the putting green; and (e) the first player to play on the putting green.

PENALTY STRUCTURE

The NTPGA Junior Tour reserves the right to penalize a group or individual player if multiple violations of the Pace of Play policy occur. During a stipulated round, an individual player or group will receive the following warnings and subsequent penalties from an NTPGA Junior Tour staff member if they are found to be over time and/or out of position, as previously defined.

FIRST OFFENSE: Warning (Yellow)

SECOND OFFENSE: Warning (Orange)

THIRD OFFENSE: One (1) stroke penalty (Red)

FOURTH OFFENSE: Two (2) stroke penalty (Black)

FIFTH OFFENSE: Disqualification

NOTE 1: Penalty strokes will be added to the hole where the infraction occurred.

NOTE 2: Pace of play warnings and penalties will not carry over to any subsequent NTPGA Junior Tour sanctioned rounds.

ASSUMPTION OF RISK

By entering and competing in an NTPGA Junior Tour sanctioned tournament, all junior golfers, caddies and any spectators accompanying them assume all risk and danger incidental to the game of golf and release NTPGA Junior Tour sanctioned tournaments and competitions and

their host sites, sponsors, host organizations, NTPGA Junior Tour, participating players, and all agents thereof from any and all liabilities resulting from such cases.

By participating in NTPGA Junior Tour sanctioned events, all junior golfers, caddies and any spectators accompanying them grant permission to the NTPGA Junior Tour to utilize their image or likeness incidental to any live or recorded television or other transmission or reproduction in whole or in part of any NTPGA Junior Tour event they attend. In addition, junior golfers, their caddies and spectators agree not to transmit or facilitate transmission of any account, description, picture, or reproduction of any NTPGA Junior Tour event, including, without limitation, scoring related data, without the specific advance written permission of the NTPGA Junior Tour.

INCLEMENT WEATHER / TOURNAMENT CANCELLATION POLICY

The NTPGA Junior Tour reserves the right to cancel or delay a tournament at any point prior to or during a round due to inclement weather or unplayable course conditions.

In the case a tournament is deemed unplayable due to inclement weather once play has begun, it will be delayed by a determined maximum time to allow the weather to subside, giving the course ample time to recover and to allow the tournament participants an opportunity to prepare for the re-start.

If the weather does not subside during the suspension of play, the on-site NTPGA Junior Tour staff will work closely with the host facility staff and superintendent in terms of deciding when to cancel the tournament due to inclement weather. Tournaments may be cancelled due to core temperature of the ground, excess rain deeming the course unplayable or extreme outside temperatures deeming the conditions to be unfavorable for the tournament.

Decisions related to cancelling or delaying an event will be made by the designated weather monitoring staff in conjunction with the Assistant Executive Director. This decision will be communicated with on-site NTPGA Junior Tour staff members, host facility staff and superintendent prior to communicating with the tournament participants. The field will be notified of cancelled tournament(s) through BlueGolf email, BlueGolf text messages and the NTPGA Junior Tour website.

If a tournament is cancelled prior to play, the NTPGA Junior Tour members scheduled to participate in the event will be refunded the full entry fee to their account or have the option to transfer into another event. If the tournament is cancelled during play, the NTPGA Junior Tour reserves the right to retain the full entry fee.

ACCOMMODATIONS FOR JUNIOR GOLFERS WITH DISABILITIES OR CHRONIC HEALTH CONDITIONS

The NTPGA Junior Tour will, at its sole discretion and upon receipt of applicable medical documentation, make reasonable accommodations for junior golfers with disabilities or chronic health conditions. Subject to applicable rules established by the host site, reasonable

accommodations may include the use of a pull cart or motorized golf cart for the transportation of golf clubs and competitors during NTPGA Junior Tour sanctioned events. All related inquiries and communications shall be directed to the Executive Director.

NOTE: *Letters from doctors regarding short term injuries or visible injuries will not warrant special accommodations.*

GRIEVANCE COMMITTEE

In the event of a suspension, the player may submit a written account of the Code of Conduct violation to the NTPGA Junior Tour Grievance Committee within seven (7) days of the suspension / disqualification. The Grievance Committee will review all submitted materials, including a tournament staff account of the violation. The NTPGA Executive Director and Junior Golf Committee Chairman will review grievances. All grievances must go through the appropriate channels to be considered.

MISCELLANEOUS

It is the responsibility of the participant to know the host facility rules and regulations. The NTPGA Junior Tour abides by all host facility rules and regulations and requires that all participants and spectators do the same.

It is the responsibility of the participant (grades 9–12) to know the University Interscholastic League (UIL) regulations and abide by them.

The NTPGA Junior Tour reserves the right to modify, change, or update the Rules and Regulations at any time.

OVERVIEW

The NTPGA Team Golf initiative was inspired by the successful junior golf programs and junior golf teams formed by several NTPGA facilities and professionals. Team Golf is for junior golfers ages 7-14 with beginning level golf experience and offers an introduction to tournament play through 9-hole team stroke play competition. Team Golf serves as a fun, social, less stressful approach to tournament golf, and provides junior golfers with knowledge and skills that set the stage for a lifetime of golf enjoyment. To participate in Team Golf tournaments, it is recommended that junior golfers and their parents/guardians contact their local PGA Golf Professional who serves as a Team Golf coach. A complete list of current Team Golf programs can be found on the NTPGA Junior Tour website.

TOURNAMENT FORMAT

Team Golf tournaments will consist of six (6) players from each Team. Each Team will be represented by a team of two (2) players in the following coed age divisions: 7-10, 11-12, and 13-14.

NOTE: A Team may have more than one team of two represented in a division.

The format for these events will be Four-Ball Stroke Play or 2-Peson Scramble with each team being awarded a designated number of points based upon their finish in each division. The total number of points accumulated from their finish in each division will represent the Team's overall point total for the tournament.

TOURNAMENT POINTS STRUCTURE

PLACE	POINTS
1ST	100
2ND	80
3RD	65
4TH	55
5TH	45
6TH	35
7TH	25
8TH	15
9TH	10
10^{TH+}	5

ENTRY PROCEDURE

Approximately three (3) weeks prior to all Team Golf tournaments, all Team Golf coaches will be sent an entry form for the upcoming tournament. The entry form will include all of the appropriate deadlines which pertain to the tournament. Once a Team's entry form is complete with six (6) players (three (3) two-person teams, players' names and age division), the Team Golf coach will return the entry form to the NTPGA Junior Tour prior to the roster entry deadline.

All Team Golf tournaments are capped at 48 players (8 Teams) unless otherwise noted prior to the entry deadline. Each Team Golf coach will be eligible to enter one Team on a first come first served basis. If a Team Golf coach wishes to submit more than one Team, the coach must designate each Team as "Team A", "Team B", etc. "Team A" will be entered into the event immediately and "Team B" will be placed onto a waiting list until the roster entry deadline has passed. If there is room for additional Teams following the roster entry deadline, the NTPGA Junior Tour will accept Teams from the waiting list on a first come first served basis until the event is full.

Once a Team's entry form is received, an NTPGA Junior Tour staff member will add each player to the tournament's invitation list. Junior Golfers are required to register online for the tournament by 2:00 p.m. three (3) days prior to the tournament.

NOTE: *Roster Entries will only be accepted as a full six (6) player team. If a roster is not full at the time of submission, the Team will be placed on the waiting list and accepted after the roster entry deadline, if space permits.*

BREAKING TIES

A "tie breaker" will not be applied for ties within an age division and all points will be equally shared. For example, if there is a tie for first place in the 7-10 division (two Teams have a Team score of 45), each team will receive 90 points (sum of first and second place points divided by two). If there is a tie for 1st, 2nd or 3rd place (total Team points), the Team's total strokes from each division will be used to determine the winner. If after proceeding with this method the winning Team has yet to be determined, matching score cards using the total Team strokes from the 9th hole will be used to break the tie.

PREP LEVEL OVERVIEW

The Prep Level is for NTPGA Junior Tour members ages 7-19 who have achieved beginning level golf and tournament experience, and offers competitive 9-hole individual stroke play tournaments. The Prep Level provides additional opportunities for skill development and tournament experience. Prep Level tournaments are conducted throughout the year in East Texas, West Texas and the DFW Metroplex.

MEDALIST LEVEL OVERVIEW

The Medalist Level is for NTPGA Junior Tour members ages 11-19 with moderate tournament experience and a wide range of playing ability. Medalist Level tournaments offer 18-hole individual stroke play competitions and are conducted throughout the year in East Texas, West Texas and the DFW Metroplex.

TOURNAMENT ENTRY PROCEDURE

For all Prep and Medalist Level tournaments, the NTPGA Junior Tour will stop accepting entries for an event once the tournament is full or at 2:00 p.m. five (5) days prior to the event, regardless of whether or not the event is full.

NOTE: Entries are accepted on a first come first served basis.

ARRANGEMENT OF STARTING TIMES & GROUPINGS POLICY

Starting times and groupings for all events will be done on a blind draw, based on age division. For all events, requests for starting times or specific groupings will not be accommodated. Players shall start at the time and the order arranged unless otherwise informed by the NTPGA Junior Tour staff. Prompt attendance is required of all players at their starting point of each round. Time of starting penalties shall be consistent with Rule 6-3. Each contestant is responsible for obtaining his/her starting time.

NOTE 1: The structure and method used to arrange starting times and groupings may be altered at the discretion of the NTPGA Junior Tour staff.

SHORTENED PREP LEVEL EVENTS

In the event that a Prep Level tournament is shortened due to weather or the like, all players are expected to return their respective score card to the NTPGA Junior Tour staff once the tournament has officially been canceled, regardless of the number of holes they have completed.

The NTPGA Junior Tour staff will make every effort to score the event for each age division competing in the tournament. However, should a particular age division fail to collectively complete 5 holes, the tournament will not be official; therefore, the results/points challenge

results will not be posted. The NTPGA Junior Tour Tournament Cancellation Procedure would then take effect.

Should an age division collectively complete 5 holes or more, but collectively complete fewer than 9 holes, the event will be considered official and the NTPGA Junior Tour staff will score the tournament as follows:

- ❖ The results for each age division will be calculated relative to par for the first 5 holes that each player completed during their respective round. For example, if Player A started the tournament on Hole 1, his/her score (relative to par) for Holes 1, 2, 3, 4 and 5 would be used for his/her score. In addition, 50% of the typical points distribution will be awarded given the tournament was scored using 5 holes.

NOTE: In the scenarios outlined above, applicable trophies/medals will be awarded to 1st Place, 2nd Place and 3rd Place finishers regardless of ties and will be mailed to each player immediately following the announcement of the official tournament results.

SHORTENED MEDALIST LEVEL EVENTS

In the event that a Medalist Level tournament is shortened due to weather or the like, all players are expected to return their respective score card to the NTPGA Junior Tour staff once the tournament has officially been canceled, regardless of the number of holes they have completed.

The NTPGA Junior Tour staff will make every effort to score the event for each age division competing in the tournament. However, should a particular age division fail to collectively complete 9 holes, the tournament will not be official; therefore, the results/points challenge results will not be posted. The NTPGA Junior Tour Tournament Cancellation Procedure would then take effect.

Should an age division collectively complete 9 holes or more, but collectively complete fewer than 18 holes, the event will be considered official and the NTPGA Junior Tour staff will score the tournament as follows:

- ❖ In the event that an age division collectively completes the same side (i.e. Holes 1-9 or Holes 10-18), the NTPGA Junior Tour staff will enter all players' actual scores from the respective side. In addition, 50% of the typical points distribution will be awarded given the tournament was scored using 9 holes.
- ❖ In the event that an age division **DOES NOT** collectively complete the same side as outlined above, the results for the age division will be calculated relative to par for the first 9 holes that each player completed during their respective round. For example, if Player A started the tournament on Hole 12, his/her score (relative to par) for Holes 12, 13, 14, 15, 16, 17, 18, 1 and 2 would be used for his/her score. If Player B started the tournament on Hole 14, his/her score (relative to par) for Holes 14, 15, 16, 17, 18, 1, 2, 3 and 4 would be used for his score. In addition, 50% of the typical points distribution will be awarded given the tournament was scored using 9 holes.

NOTE: *In the scenarios outlined above, applicable trophies/medals will be awarded to 1st Place, 2nd Place and 3rd Place finishers regardless of ties and will be mailed to each player immediately following the announcement of the official tournament results.*

Participants and their equipment cannot be transported in motorized carts, except when going to their first hole or when returning from the last hole played.**
- ❖ **Players competing in the Girls 11-12 division may have one caddie to give advice. All players in the Girls 11-12 division and their caddie must ride in a motorized golf cart provided by the NTPGA Junior Tour for the duration of the round. All bags and**

equipment must be transported on the golf cart. All players in the Girls 11-12 division must have a licensed driver over the age of 16 to drive the golf cart.

- ❖ Players competing in the 13-18 age divisions must walk and carry/pull their own equipment. Caddies are NOT permitted.

BREAKING TIES

In all Prep and Medalist Level tournaments, ties for first, second and third place in all age divisions will be broken by a score card playoff. The NTPGA Junior Tour official policy for breaking ties via a score card playoff is the same as defined by the Rules of Golf in Appendix I. The method of matching score cards to determine the winner will begin by using the last nine (9) holes of the tournament. If the players have the same score for the last nine (9), we will use the last six (6) holes, and finally the last three (3) holes. If this method is used in a competition with a multiple tee start, it is recommended that the “last nine holes, last six holes, etc.” is considered to be holes 10–18, 13–18, etc. If after proceeding with this method the winner has yet to be determined, we will continue on by comparing score cards from the 18th hole and continuing backwards by comparing the 17th hole, 16th hole, etc. until a winner has been determined.

At Area and Series Championship events, all ties for first place in all age divisions will be broken using a sudden-death play-off. If a player is not present to compete in a sudden death playoff, he/she will be deemed to have forfeited the playoff. Should weather or darkness interfere, a score card playoff will be utilized beginning with the round two score card. Ties for second and third place will be broken by a score card playoff as outlined above.

POINTS CHALLENGES

At all Prep Level tournaments, points will be awarded to the top 15 finishers and ties in the 7-10 age divisions only.

At all Medalist Level tournaments, points will be awarded to the top 20 finishers and ties in the Boys 15-18 and Girls 15-18 age divisions. For all other age divisions at Medalist Level tournaments, points will be awarded to the top 15 finishers and ties.

Each tournament series (Spring Series, Summer Series, and Fall Series) of the NTPGA Junior Tour will have its own Points Challenge.

Any points earned within an age division will stay in that age division for the entire tournament series. This means that if you have a birthday which causes you to move to an older division, your points do not carry over with you. Should you earn a qualification or exemption of some kind with the points from your previous division, that will still be honored, you will just need to compete in the new age appropriate division.

Any points earned within an Area will stay in that Area because each has its own unique Points Challenge. For example, a player in the 13-14 age division who plays in a Summer Series Medalist Level event in Midland and another in Dallas has earned points in both the Metro and West Texas Areas Summer Series Points Challenge.

The following is the breakdown of the point distribution for each age division at event:

1 st place – 250	6 th place – 100	11 th place – 55	16 th place – 30
2 nd place – 200	7 th place – 90	12 th place – 50	17 th place – 25
3 rd place – 175	8 th place – 80	13 th place – 45	18 th place – 20
4 th place – 150	9 th place – 70	14 th place – 40	19 th place – 15
5 th place – 125	10 th place – 60	15 th place – 35	20 th place – 10

NOTE: Points will be distributed equally amongst all ties within the top finishers listed above. Please allow 5-7 days for points from East and West Areas to be awarded.

BONUS POINTS:

- ❖ Points distributed at the Spring Series Championships, Summer Series Area Championships and Fall Series Championships will be increased for each place by 100%.
- ❖ Points for Metro Area Summer Series \$70 Medalist events will be increased for each place by 100%.

A player's standing in the Prep or Medalist Level Points Challenge will be determined by the total points accumulated from the tournaments in which they participate. Example: A player has earned 575 points in the Prep or Medalist Level Points Challenge by playing in four (4) tournaments and recording a 1st place finish (250 points), 4th place finish (150 points), 5th place finish (125 points) and 12th place finish (50 points). Points earned during each tournament series will be used to establish invitee lists and exemptions for championship events, as well as determine the Points Challenge winner for each tournament series.

OVERVIEW

The All American Tour is for NTPGA Junior Tour members ages 19 & under who have achieved a high level golf and tournament experience, and offers competitive 36-hole and 54-hole individual stroke play tournaments as well as a Match Play and Team tournament format. All American Tour tournaments are typically conducted over two days with 18-holes played each day. All American Tour tournaments are nationally ranked and offer national and regional tournament exemptions as well as AJGA Performance Based Entry (PBE) to top finishers. All American Tour tournaments are conducted throughout the year in all areas of Northern Texas.

TOURNAMENT ENTRY PROCEDURE

For each All American Tour tournament, the NTPGA Junior Tour will stop accepting entries once the tournament is full or at 2:00 p.m. five (5) days prior to the event, regardless of whether or not the event is full.

NOTE 1: *Entries are accepted on a first come first served basis.*

NOTE 2: *There are no on-site walk-ups allowed at All American Tour events. The NTPGA will inform players on the waiting list if they have been selected to be an on-site alternate.*

AGE DIVISIONS & COMPETITION FIELD

The Boys 13-14 and Boys 15-18 age divisions compete from the same set of tees. The Girls 13-14 and Girls 15-18 age divisions compete from the same set of tees. Furthermore, the All American Tour recognizes the Boys 13-18 Overall Champion and the Girls 13-18 Overall Champion in addition to the Boys and Girls 13-14 and 15-18 champions. The Boys 12 & under age division and Girls 12 & under age division each compete from the same set of tees, but in their respective contest.

ARRANGEMENT OF STARTING TIMES & GROUPINGS

From *January 1* until *March 1*, Round 1 starting times and groupings will be determined using the top 15 point earners (in each age division) from the *previous* year's All American Tour Points Challenge and the top 10 point earners (in each age division) from the previous year's Legends Junior Tour Player of the Year Points. Beginning *March 2*, Round 1 starting times and groupings will be created using the top 15 point earners (in each age division) from the *current* year's standings of the All American Tour Points Challenge and the top 10 point earners (in each age division) from the current year's Legends Junior Tour Player of the Year Points. All other players will be paired using a blind draw, within their respective age division. For subsequent rounds (i.e. Round 2, Round 3), all players in the 13-18 divisions will be re-paired based on their respective standing in the Overall Divisions (i.e. Boys 13-18 and Girls 13-18).

**All players in the 12 & under divisions will be repaired for subsequent rounds based on their respective standing in that division.*

NOTE : *The structure and method used to arrange starting times and groupings may be altered at the discretion of the NTPGA Junior Tour staff.*

PERFORMANCE POLICY

Boys 13-18: 99

Boys 12 & Under: 104

Girls 13-18: 99

Girls 12 & Under: 104

Any player who scores a higher Round 1 total than outlined above (respective to his/her age division) while competing in an All American Tour event (excluding the Texas Boys & Girls PGA Championship) will not be eligible to compete in the subsequent round(s) and a \$40.00 refund will be applied to his/her account credit for the applicable tournament. If a player is “cut” three (3) times during the calendar year at an All American Tour event, the NTPGA Junior Tour may not allow that player to compete in All American Tour events for the remainder of the year. Should playing privileges on the All American Tour be revoked, they will be reinstated for the player the following year.

NOTE 1: *If a player fails to make the “cut” after Round 1, but is within ten shots of the leader in his/her respective age division, that player will be eligible to compete in the subsequent round(s).*

NOTE 2: *A player who has been “cut” a total of three times in two different age divisions within the calendar year may not be permitted to compete in All American Tour tournaments until the subsequent year.*

NOTE 3: *The NTPGA Junior Tour reserves the right to waive the performance policy at its discretion (i.e. inclement weather).*

NOTE 4: *The NTPGA Junior Tour reserves the right to remove a player from an NTPGA Junior Tour sanctioned event for non-competitiveness at any time. In this case, a full refund will be granted to the player’s account credit.*

TOURNAMENT ROUNDS CANCELLED

In the event that a single round of a 36-hole / 54-hole tournament is cancelled prior to play, members scheduled to participate in the event will be provided a \$60 refund. All refunds will be issued to the player’s account credit. The NTPGA Junior Tour Tournament Cancellation Procedure would take effect if all rounds of the tournament were to be cancelled.

SHORTENED ALL AMERICAN TOUR EVENTS

In the event that an All American Tour tournament is shortened due to weather or the like, all players are expected to return their respective scorecard to the NTPGA Junior Tour staff once

the tournament has officially been canceled, regardless of the number of holes they have completed.

The NTPGA Junior Tour staff will make every effort to score the event for each age division competing in the tournament. However, should a particular age division fail to collectively complete 18 holes over two (2) days, the tournament will not be official; therefore, the results/points challenge results will not be posted. The respective All American Tour Tournament Cancellation procedure would then take effect.

Should an age division collectively complete 18 holes or more, but collectively complete fewer than 36 holes, the event will be considered official and the NTPGA Junior Tour staff will score the tournament using only the first 18-hole score the player recorded.

NOTE 1: For All American Tour events consisting of more than 36-holes, the same procedure will apply and all scores from applicable completed rounds by each age division will be recorded for the tournament.

NOTE 2: In the scenarios outlined above, applicable trophies will be awarded to 1st Place finishers utilizing a score card playoff as outlined in the Rules & Regulations. If the champion is absent, his/her award will be mailed immediately following the announcement of the official tournament results.

RULES OF PLAY

- ❖ Play is governed by the Rules of Golf and its Decisions, as modified by the All American Tour.
- ❖ Play the ball as it lies.
- ❖ The NTPGA Junior Tour WILL NOT adopt the Groove Rules as a condition of competition for its tournaments in 2017.
- ❖ The NTPGA permits pull carts, however they will be allowed only at the discretion of the host facility. It is the players' responsibility to obtain course policy. The pull cart policy for each tournament will be listed on the tournament information page.
- ❖ Players must exchange score cards with fellow competitors in the group.
- ❖ Upon completion of the round, players must immediately proceed to the scoring area to return their score card. Participants are responsible for the correct hole-by-hole score and two signatures on the score card.
- ❖ Players must NOT wear headphones during play. Listening to music during a stipulated round will result in disqualification.
- ❖ When on the course, players must turn off cell phones or turn ringers to the silent or vibrate mode. Respect host facility's policy if cell phones are not allowed.
- ❖ Each competition shall be deemed to have closed when all scores have been approved by the NTPGA Junior Tour staff and published in the form of a results email.

UNIQUE RULES OF PLAY

- ❖ Players competing in the 12 & under age divisions may have one caddie to carry their bag and equipment and give advice, but all players and caddies must walk the golf course.
- ❖ Players competing in the Boys 13-14, Boys 15-18, Girls 13-14 and Girls 15-18 divisions must walk and carry/pull their own equipment. Caddies are NOT permitted.

- ❖ There is NO nine (9) shot limit during any All American Tour tournament.

BREAKING TIES

All ties for first place in all age divisions will be broken using a sudden-death play-off. If a player is not present to compete in a sudden death playoff, he/she will be deemed to have forfeited the playoff. Should weather or darkness interfere, a score card playoff will be utilized beginning with the round two score card.

POINTS CHALLENGE

Players are eligible to earn points at each All American Tour event in which they compete. This Points Challenge will be conducted separately and stand-alone from all other NTPGA Junior Tour events and Points Challenges.

Points will be awarded to the top 10 players and ties in each age division. If there are more than 20 players in an age division at a tournament, points will be awarded to the top ½ of the total number of players and ties in that division. For example: If there are 26 players competing in the Boys 15-18 age division at a tournament, points will be awarded to the top 13 players and ties. If there are 14 players competing in the Boys 15-18 age division at a tournament, points will be awarded to the top 10 players and ties.

Any points earned within an age division will stay in that age division for the entire year. This means that if you have a birthday which causes you to move to an older division, your points do not carry over with you. Should you earn a special tournament exemption of some kind with the points from your previous division, that exemption will still be honored, however you will need to compete in the new age appropriate division.

The following is the breakdown of the point distribution for each age division at each All American Tour event:

1 st place – 250	6 th place – 100	11 th place – 55	16 th – 20 th place – 25
2 nd place – 200	7 th place – 90	12 th place – 50	21 st – 30 th place – 20
3 rd place – 175	8 th place – 80	13 th place – 45	31 st – 40 th place – 15
4 th place – 150	9 th place – 70	14 th place – 40	41 st – 50 th place – 10
5 th place – 125	10 th place – 60	15 th place – 35	

A sudden death playoff will be used to determine 1st place only. Points for all other places will be distributed equally amongst all ties.

A player's standing in the All American Tour Points Challenge will be determined by the total points accumulated from the tournaments in which they participate. Example: A player has earned 600 points in the All American Tour Points Challenge by playing in four (4) tournaments and recording a 1st place finish (250 points), 3rd place finish (175 points), 5th place finish (125 points), and a 12th place (with 24 players in the age division) finish (50 points).

Legends Junior Tour Alliance Tier 2 Points

In addition to All American Tour points earning qualifying spots and exemptions for NTPGA Junior Tour events, points earned on the All American Tour will also be added to a player's overall Performance Point total with the Legends Junior Tour. The Legends Junior Tour will use points awarded at Alliance Tier 2 (i.e. All American Tour event) tournaments, in addition to points awarded at their own tournaments, to establish invitee lists for limited field events, distribute exemptions into certain tournaments, as well as determine the Legends Junior Tour Players of the Year. Please note that only ½ of the total number of players and ties in each age division at All American Tour events will earn Legends Junior Tour Performance Points. For additional information on Alliance Tier 2 events and the Legends Junior Tour Performance Point system, please visit the Legends Junior Tour website at www.tljt.org.
